Due to large Ocean City summer crowds, surfing is not permitted between 10:00am and 5:30pm, except at the designated surfing beaches. The surfing beaches are bounded by flags and "NO SWIMMING" signs, and are subject to change by the O.C.B.P. Surf leases must be used at all times at the surf beaches. "OPEN SURFING" exists daily before and after lifeguards go on duty. If surfing beach markers line up O K then you are inside permitted area; if markers line up K O you are outside permitted area. On certain inclement weather days, the Beach Patrol Captain may allow the surfing ordinance to be modified. This decision is made daily with the input of supervisors on the beach. When surfing is modified, swimmers have the right-of-way except on surfing beaches, and surfers must remain 50 yds from swimmers.
